LOC-PR-005-2022 International Tender
A company that provides comprehensive ticketing operation services
for U-2 Women's World Cup Costa Rica 2022

Dear bidders:

The Local Organizing Committee of Costa Rica, in agreement number 002 of the ordinary session 004 held on April 27, 2022, which I transcribe in pertinent part, has made the following decision, in relation to this international tender:

*"Agreement No. 002: Award the tender to **Ticket Master Sport** for comprehensive ticketing operation services for the World Cup events LOC-PR-005-2022; since it meets the technical requirements, it offers the best price per ticket and per access system and qualifies with the highest percentage when applying the rating scale established in the RFP. The price per ticket offered by the company in its economic offer and option two of the access control system are awarded. The quantities of access control devices will be defined by The Organization, based on the recommendation of the contractor and the budget.*

Prior to signing the contract, the company must be required to issue a performance guarantee in favor of THE ORGANIZATION for an amount of \$20,000, in accordance with the provisions of the RFP in numerals 5.1.2 and 13, which will be returned upon completion of services. In addition, as stipulated in the RFP, since it is a company domiciled abroad, it must proceed to apostille the legal documents for the signing of the contract. The Legal Department will draw up the contract that will include the final services to be acquired in the Firm Agreement.

We hope to have the collaboration of **TICKET MASTER SPORT** in the organization and the successful execution of this event. Ivannia Montoya, Legal Advisor and in charge of this contract, will contact the awarded contractor for the details and formalization of the contract.

We thank the other bidders for their participation in the tender.

Kind Regards,

José Manuel Arias
Administration and Finance Manager
